Certificate of Completion

Cyber Security Essentials

This certificate is presented to

Shabir Karimi

Care Providers Voice

Completion Date: 07.07.2023

- This Certificate confirms that eLearning has been undertaken. It does not evidence competence.
- The learner's manager is responsible for checking competence by gathering supporting evidence through observations, testimonies, assessment and discussion.
- The learner and manager should identify additional knowledge and skills gaps and the learner should be supported to undertake further learning as appropriate.
- The learner's manager should monitor competence on an ongoing basis and support the learner with continual professional development.
